POINTS AND AUTHORITIES

This action involves an employment dispute between plaintiffs, former in-house attorneys for IGT. The plaintiffs have asserted claims for relief regarding their termination from IGT, including a claim for whistleblower protection under the Sarbanes-Oxley Act for alleged retaliation in response to allegations against IGT management for securities fraud against IGT's shareholders.

At the time the action was commenced, the plaintiffs requested that the action be placed under seal, which the Court has since ordered. As a result, any party to this action must seek Court permission to obtain a transcript of any proceedings taking place before the Court.

On September 16, 2009, a status hearing took place wherein the Court and counsel addressed several outstanding issues. At this time, IGT seeks to have a transcript of the proceeding, necessitating the filing of this motion.

Therefore, IGT respectfully requests this Court to grant its motion to allow a transcript of the September 16, 2009, proceeding to be provided to IGT.

DATED: September 18, 2009.

[X] BY MAIL [N.R.C.P. 5(b)] I caused each envelope to be placed for deposit with the U.S. Postal Service in a sealed envelope, with postage prepaid, and that each envelope was placed for collection and mailing on that date following ordinary business. Correspondence so collected and processed is deposited with the U.S. Postal Service that same day in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit;
